Teacher Position for the 2022-2023 School

The scenic community of **Chemawawin Cree Nation** is nestled at the tip of Cedar Lake and has a population of 1900 people. It is located five hours north of Winnipeg, two hours south of The Pas and approximately one hour west of Grand Rapids. Chemawawin School is seeking Teacher applicants for the **2nd term** for the following position:

1 – High school Teacher to teach;

- Psychology
- Treaties
- FNIM Studies

The community is equipped with a Grocery store/Gas bar, RCMP detachment, Nursing Station, Ambulance services (NRHA) Health Authority, Arena, and access to the internet and LTE cell phone services. The community is fully paved including PH 327.

The charming, subsidized teacherages were built in the same year as the school: 2006. These are available in one, two, three-bedroom units and are fully furnished, including all appliances.

Chemawawin school is committed to providing quality education and follows the mandated Manitoba Curriculum. Covid-19 has impacted education programming across Canada, and Chemawawin school will continue to practise strict health and safety measures in order to provide a safe and healthy work environment for students and staff in the 2022-2023 school year. In order to maintain these health and safety regulations, adjustments may be made to education programming prior to the beginning of the new school year.

If you are dedicated, professional, and committed to excellence in education please forward your resume with 3 references, a cover letter and please include your most recent Child Abuse Registry check and Criminal Record check and a copy of your Teaching certificate to:
