Teacher Positions for the 2022-2023 School Year

The scenic community of **Chemawawin Cree Nation** is nestled at the tip of Cedar Lake and has a population of 1900 people. It is located five hours North of Winnipeg, two hours South of The Pas and approximately one hour West of Grand Rapids. Chemawawin School offers Nursery to twelve. We currently have 550 enrolled students and Chemawawin School is seeking teacher applicants for the following positions:

2 - Grade 1

1 - High School ELA

1 - High School PE

1 - Vice-Principal

2 - Grade 8

1 - High School Math

1 - High School Arts

1 - IT Technician

The community is equipped with a Grocery Store/Gas bar, RCMP Detachment, Nursing Station, Ambulance services (NRHA) Health Authority, Arena, and access to internet and LTE cell phone services. The community is fully paved including PH 327. The charming, subsidized teacherages were built in the same year as the school: 2006. These are available in one, two, or three bedroom units and are fully furnished, including all appliances.

Chemawawin School is committed to providing quality education and follows the mandated Manitoba Curriculum. Covid-19 has impacted education programming across Canada, and Chemawawin School will continue to practice strict health and safety measures in order to provide a safe and healthy work environment for students and staff in the 2022-2023 school year. In order to maintain these health and safety regulations, adjustments may be made to education programming prior to the beginning of the new school year.

If you are dedicated, professional, and committed to excellence in education please forward your resume with 3 references, a cover letter and please state which positions you are interested in, include your most recent Child Abuse Registry check, a Criminal Record check and a copy of your teaching certificate to:
